

How to Make Your *Journey* a Success

We want your class visit to the Homestead Museum to be educational and enjoyable. To make your visit a success please:

1. Prepare your class for the ***Journey Through Time*** by discussing what they will see and do.
2. Ask students to wear comfortable shoes and clothes and to dress appropriately for the weather forecasted. Usually students will spend about 15 minutes of the visit outdoors. On rainy days they will be outdoors for about 10 minutes.
2. Please ask students to leave their cameras at home since picture-taking detracts from the flow of the program.
3. Encourage all students to use the rest rooms at school before they board the bus, since they will be at the Homestead Museum for two hours.
4. Divide your class into two equal groups, wearing their name badges before they arrive.
5. Bring a total of 2 adults (the classroom teacher and one other) for each class of over 15 students. A class of fifteen or fewer students should bring only 1 adult.
6. The museum teacher will need the help of an adult in assisting with the 1840s, 1870s, and 1920s activities and helping with discipline when requested.
7. When you arrive at the museum, please ask the bus driver to park in the pull off zone on Don Julian Road if you are traveling West and in the main parking lot if you are traveling East.
8. If you have any questions, please call the Homestead Museum at (626) 968-8492 between 9:00 a.m. and 5:00 p.m., Monday through Friday.
